

## REMARKS

This amendment accompanied by RCE is being filed after the Notice of Allowance mailed on 1/12/2007. The amendment is filed only for the purpose of placing the claims in what Applicant considers to be better form for protecting the invention, not in response to any prior art or to comply with any requirement of patentability. Applicants believe that the amendments do not alter the allowability of any of the claims.

In this amendment, claim 37 has been canceled; claims 1-4, 6, 8, 9, 13-15, 17, 18, 21, 22-2527, 29-32, 34-36 and 38-42 have been amended; and claims 54-58 are new. No new matter has been added.

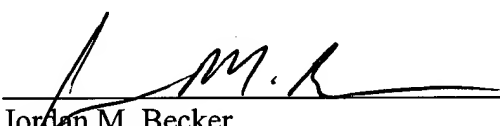

The specification has also been amended to more clearly incorporate subject matter that was recited in (*inter alia*) original claims 1 and 23. No new matter has been added.

The present application is believed to be still in condition for allowance, and such action is earnestly requested.

If any additional fee is required, please charge Deposit Account No. 02-2666.

Respectfully submitted,  
BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP
